

PAM V Nurmi v d Maibuchen Sch3, IPO3, UDT, AX, AXJ, HX, KKL1 life of a dog, "a"
Birthdate December 2, 1997-He will soon be 12 years young
Owners: Helen Gleason and Christine Manfrast

Nurmi was presented with the first Performance Award of Merit Award at the GSDCA National Specialty in 2001 for his achievements in Schutzhund, Obedience, Agility and Herding. He is Koerklasse 1 for life and rated V1 at the GSDCA-WDA SE Regional show in 2001

We believe that he is the highest titled dog in the world. He attended two Sieger shows in both Germany and Austria and was rated V(excellent) at both.

Although he no longer competes in performance activities he is our pied piper and all of the youngsters follow him everywhere and will do their best to imitate him.

He has been my constant companion since he came to the US. The 10 years that he has been here have been the most rewarding of our lives.

"A title says your dog was intelligent and loved you enough to do the things that pleased you-however crazy they may seem.

A title says you loved your dog.

A title proves your dog inspired you to that special relationship enjoyed by so few that in a world of disposable creatures this dog with the title was greatly loved and loved greatly in return.

And when that dear short life is over, the title remains as a memorial of the finest kind.

A title is nothing less than true love and respect, given, received and recorded permanently." Author unknown
